You believed the message

Spend some time reflecting on what 'putting out into the deep' may have meant for Simon Peter and his companions. Just as Jesus asked Simon Peter to take a risk by going back out into deep water, so he asks us to take a risk for him too.

Luke 1: 1-11

Our deep water may be way over our heads. Jesus asks us to have faith in him. Courage and boldness are what we require to answer 'yes' to the call to be Christian today.

What is our response to the call of God to leave everything and follow him? Are there ways in which you are already sharing in the task of being a 'fisher' of people?

In what ways are you being asked to put out into deep water today?

Have a blessed week everyone. Fr Michael & Fr Soane Mata Lomu sm
